The Catlin Fire District is required to submit all invoices together per State law. The Village sent an invoice for \$569.20. Carl stated that maybe the Village should send them a letter stating they are no longer allowed to pump onto the streets. Kevin requested that Shelley obtain a name and number for the Bunge Elevator and he and Carl would contact them. Kevin also stated since the substance was bad beans and stagnant water, these are organic materials and shouldn't cause harm to anyone or thing.

Mayor Robinson requested that the Street Department place a new flag and rope at the Catlin Park.

Commissioner Voorhees:

- Shelley stated that she was directed by Barry to look into online payments for the water and sewer bills. LOCIS, the water and sewer program that the Village uses, recommends Payment Service Network. The initial cost is \$199.00, then \$12.95 per month and a yearly \$89.00 for a security compliance fee. Kevin stated that a lot of companies have gone to electronic payments and we could try it for a year.
