Commissioner Schmit:

- Wanda stated that the employees were working hard to finish the new playground equipment.

Commissioner Cummings:

- Jerry informed the board that the concrete has been poured for the police garage.

Commissioner Kirk:

- Kevin stated there was a sink hole most likely due to a collapsed storm line on W. Vermilion St. It would be beneficial to take care of the storm line before it damages the sewer line. This job will be completed by an outside contractor but with the water supervisor being gone the next week, Kevin would like to wait until he has returned if at all possible.
- Kevin reminded everyone of the public hearing at the next meeting that will take place at 6 PM.

Mayor Schmink:

- No public comments were made.

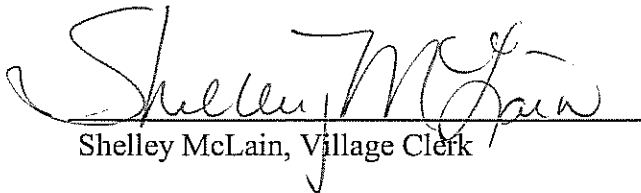

A motion was made by Kevin, seconded by Jerry to adjourn the meeting by vote.
